SKINSYNC AI

Medical Disclaimer

Last Updated: March 12, 2026

The information and services provided by **SkinSync AI** through **https://skinsyncai.com**, its mobile applications, and related platforms (collectively, the "Platform") are for informational and educational purposes only.

By using the Platform, you acknowledge and agree to the terms of this Medical Disclaimer.

1. No Medical Advice

SkinSync AI provides technology tools designed to assist users in exploring aesthetic treatment options. These tools may include:

- AI-powered facial scanning
- skin condition analysis
- treatment suggestions
- simulated before-and-after visualizations
- progress tracking tools

The information generated by the Platform is **not medical advice and should not be interpreted as a diagnosis, treatment recommendation, or medical opinion.**

Nothing on the Platform is intended to replace consultation with a licensed medical professional.

Users should always consult with a qualified healthcare provider before making any medical or aesthetic treatment decisions.

2. No Doctor-Patient Relationship

Use of the SkinSync AI Platform **does not establish a doctor-patient relationship** between:

- the user and SkinSync AI
- the user and any employees, contractors, or representatives of SkinSync AI

Any medical relationship is solely between the user and the **licensed provider or clinic** performing the treatment.

3. Independent Medical Providers

Clinics, doctors, and injectors available through the Platform operate as **independent healthcare providers**.

SkinSync AI:

- does not employ medical providers
- does not supervise medical treatments
- does not control treatment decisions
- does not guarantee treatment outcomes

All medical services are provided solely by the licensed provider responsible for the procedure.

4. AI-Generated Recommendations

The Platform may generate treatment suggestions or visual simulations using artificial intelligence.

These outputs:

- are algorithmically generated
- may not reflect actual treatment results
- should be considered **illustrative estimates only**

Individual results from medical aesthetic procedures vary significantly depending on patient health, anatomy, and provider technique.

5. Accuracy of Information

SkinSync AI makes reasonable efforts to provide helpful information, but we do **not guarantee the accuracy, completeness, or reliability** of any information generated by the Platform.

Users should independently verify all information with qualified medical professionals.

6. Emergency Medical Situations

The Platform is **not intended for medical emergencies**.

If you believe you are experiencing a medical emergency, you should immediately contact emergency services or seek care from a licensed healthcare provider.

7. Assumption of Risk

By using the Platform, you acknowledge that:

- aesthetic treatments involve medical risk
- treatment outcomes cannot be guaranteed
- decisions regarding treatment should be made with licensed providers

SkinSync AI is not responsible for decisions made based on information generated by the Platform.

8. Limitation of Liability

To the fullest extent permitted by law, SkinSync AI shall not be liable for:

- medical outcomes resulting from treatments
- reliance on AI-generated recommendations
- dissatisfaction with treatment results
- interactions between users and independent providers

Use of the Platform is at your own risk.
